

Is something standing in the way of your child's success at school?

Your child (ages 5-21) may be eligible for an evaluation (including intelligence, reading, spelling and math skills assessment) at no cost as part of the Healthy Brain Network.

Join our mental health and learning study. Get a report that may help secure classroom accommodations (504 plan/IEP). Meet with our licensed clinician to discuss results and recommendations. Be compensated up to \$150.
